I know about the Wellbeing Award for Schools.

In our school, we learn about how important it is to talk about our feelings and emotions.

I believe I can make a difference if someone else is feeling worried or unhappy.

My school really cares about me and how I am feeling.

My school really cares about all its pupils and how they are feeling.

If needed, I would feel comfortable talking about how I am feeling at school.

My teachers know when I am feeling worried or unhappy.

I am able to get help at school when I am feeling worried or unhappy.

The school really cares about what I think and listens to what I have to say.
