RE: Fundraising Appeal for Urban Outreach

Dear Parents and Carers,

As part of our work with the local community, our Future Leaders group have been planning a fundraising project with other local schools. As our spring term project, we will be supporting Urban Outreach, which supports the organisation of food parcels to families within our local community. The charity has asked the local schools to donate items that will be useful to the families that they support.

Our Future Leaders group would like to collect as many of the items listed below as possible to deliver to Urban Outreach in April.

- Toiletries (e.g. toothbrushes, toothpaste, deodorant, sanitary products, wipes, soap, etc.)
- Long-life foods (e.g. tins, packets, UHT milk, dried fruit, rice, pasta)
- Nappies (larger sizes are needed)
- Wet wipes
- Pet food

If each child donates one item from the list, we have the potential to donate around 500 items to the charity, which will benefit many families around Bolton.

Any donations will be welcome until Monday 31st March 2025. Thank you for your support.

Yours faithfully,

S. Walker

Assistant Head Teacher
